

### SWITCH DISCONNECTOR WITH FUSES

| Model                               |                              |
|-------------------------------------|------------------------------|
| version                             | for NH C00                   |
| Design type                         | Basic version without handle |
| Fuse system                         | NH C00                       |
| Protection class                    |                              |
| Protection class IP                 | IP00                         |
| Dissipation                         |                              |
| Power loss [W]                      |                              |
| • maximum                           | 142 W                        |
| Main circuit                        |                              |
| Operating voltage                   |                              |
| • rated value                       | 690 V                        |
| • at AC / at 50/60 Hz / rated value | 690 V                        |
| • at DC / rated value               | 220 V                        |
| Suitability for use                 |                              |
| • safety switch                     | Yes                          |
| Connections                         |                              |

|                                                          |                   |
|----------------------------------------------------------|-------------------|
| Type of connection, main circuit                         | busbar terminal   |
| Type of electrical connection / for main current circuit | BUSBAR CONNECTION |

| Mechanical Design |                                   |
|-------------------|-----------------------------------|
| Height            | 105 m                             |
| Width             | 142 m                             |
| Depth             | 86.5 m                            |
| Type of mounting  | fixed mounted                     |
| Mounting type     | Surface mounting and installation |

| Certificates                                  |       |
|-----------------------------------------------|-------|
| Reference identifier / acc. to DIN EN 61346-2 | Q     |
| Declaration of Conformity                     | other |

EG-Konf.
